

# ROCK ISLAND GIRLS SOFTBALL

[WWW.RIGSL.ORG](http://WWW.RIGSL.ORG)

For over 40 years the Rock Island Girls Softball League has been providing a fun, organized, and recreational opportunity for young girls in the Rock Island / Milan and surrounding areas. This is a slow-pitch softball league for girls between the ages of 9 – 18. The league is divided into two divisions. The 9-13 year old division concentrates on teaching sportsmanship, teamwork, and the fundamentals of **slow-pitch softball**. The 14-18 year old division continues to provide an opportunity for the girls to play softball with their friends. Approximately 220 girls participated in the league last year.

The league is “recreational” in design and girls of all ability levels are encouraged to participate. Each girl plays in every game. The league games begin in the middle of May and the season ends with a league tournament in early July. Games are played on weeknights with any make-up games played on weekends. Games are played at the Morris fields by the Hauberg Civic Center in Rock Island and are maintained by the RI Park Board and RIGSL.

The league is run totally by volunteers. Many of our past players return as umpires, coaches, and board members. Girls that play in the league for several years become eligible for a monetary scholarship to further their education after high school. The registration fee to play is only \$25 and a requirement to sell \$50 in \$1 raffle tickets.
