RESCHEDULING

There will be no re-scheduling of games unless a conflict becomes known that affects more than one team. If a conflict becomes apparent for one team, the board must be advised 48 hours prior to the game in question for the board to make a decision on whether to reschedule the game.

14— 18 DIVISION 13 YEAR OLD SUB POOL

If you need a substitute player, you must call Merrill to arrange a 797-3538 home or 738-3551 cell). Twenty-four hour notice is preferred. Do not call for substitutes on your own.

RAIN OUTS

The RI Parks Department, in coordination with the RIGSL Board will then make the decision on weather the fields are playable or not. The RI Parks Department has the final say. If the RI Parks Department determines the field is not playable, then it is not playable, do not argue the point.

If fields are determined to be unplayable, a group text message will be sent to head coaches no later than 4:30. If games are cancelled, we will post on social media as well.

DO NOT contact board members or coaches before 4:30 pm. We will make every attempt to play games. Unfortunately, with unpredictable weather, we may have some decisions being made later in the day. If you have not received communication from the Board that games are cancelled, report to your field.

Make up games will be scheduled at an agreed upon date/time within 2 weeks of the original game. Make up games may be played anytime throughout the week or on a weekend, depending on field and umpire availability.

We will attempt to notify the coaches of your rain out schedule by phone; however it is the coach's responsibility to check for the time and place of their make-up game. In the event that there are a lot of rainouts, playing on Sunday afternoons, or double headers are possibilities.

No 14—18 Division games will be scheduled for graduation weekend. No games will be scheduled for Fathers Day.

PLAYER PREGNANCY NOTIFICATION AND SAFETY GUIDELINES

The Rock Island Girls Softball League Board of Directors has voted to formalize its long-standing policy in regard to notification of and verification of a player pregnancy.

Historically, notification and verification has come from the player themselves. The board is not ruling out the possibility of some other form of verification, but prefers the open and honest communication from its players.

Each and every coach, upon notification by a player of a pregnancy, must inform a board member immediately of said notification. From the moment the player verifies that she is pregnant, due to safety concerns for the player, she becomes an ineligible player.

Said player may continue participating with her team in any and all manners of activity that does not place said player on the field of play. While said player may “coach”, it has been determined that base coaching, as it requires the player to “take the field,” would not be an “included” activity.

Finally, the Board has confirmed that any and all such players that are subject to this policy are still eligible for their scholarship(s), provided all other scholarship requirements have been satisfied.
